## ADOPTION APPLICATION

Thank you for choosing to adopt an animal from Jericho's Promise Animal Rescue. We are an animal rescue group that is not breed or species specific. Your choice to choose to adopt a pet from us allows us to help other animals in need! We continue the work of saving cats and dogs that are scheduled to be euthanized in kill shelters. Our rescue works hard to place animals into the perfect home so that they may live out the rest of their lives in a happy and forever home. We have volunteers who foster the stray, abandoned, neglected, and surrendered dogs, puppies, cats, and kittens of our rescue. If you wish to foster before making the final decision to adopt, you are welcome to do so! We ensure that all of our animals are spayed/neutered, fully vetted and micro-chipped prior to finalization of the adoption process. Your choice to adopt an animal from us is GREATLY appreciated. Please take the time to fill out this application and read and sign the agreement. This information will help us to ensure that the animal we are placing with you will receive the best possible home and care necessary. After we review your information, a representative will contact you to further discuss the next step in the adoption process. Please remember when adopting an animal that there is a great deal of responsibility that comes along with having a pet. We treat our animals like family, and want all of our placed adoptions to have the same love and commitment to them as they have received through our rescue! We refuse the right to adopt to anyone for any reason! **Please note if you are a minor and under the age of 18, you must have parental consent to adopt a pet through our rescue!**
